

Please help the country you serve. Please help Sinclair Broadcasting to find their sense of professional responsibility and social decency. Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest.

Democracy is threatened when a partisan film is forced onto the public through public venues. Veiling an anti-Kerry program in the cloak of "serious documentary" is incredible and it's use of public utilities is quite possibly criminal.

For the sake of this country: DO YOUR JOB!!!
